

No time to be a chamber member?

Think again!

Even if you don't have time to attend any of the Jenks Chamber's programs throughout the year, we're still hard at work making your business successful and growing Jenks!

How we're working for you:

Online Directory

We publicize your business with a listing in the JenksChamber.com online directory (90,000 views/year).

Discover Jenks Magazine

This annual publication, given to shoppers, tourists and residents alike includes two listings for your business - alphabetically and by category.

News about your business

Have something exciting happening with your business? We'll publicize it on our website, social media and newsletter.

Membership decal

Did you know studies have shown that being a member of a local chamber of commerce increases a customer's awareness in a business and increases their trust in that business?

Referrals

The Jenks Chamber exclusively refers all callers and walk-in visitors to members.

Literature displays at The Hive

Thousands of visitors come to the chamber offices, located at The Hive, each year. Only members can display their literature!

Support for your business

We can help connect you to the resources or individuals you need to make your business more successful.
