**Class 33**  
**2019-2020**

**Application Packet**

## **About Leadership Jenks**

The goal of Leadership Jenks is to identify, motivate and educate emerging leaders in our community. Leadership Jenks is a joint community leadership-building program organized and co-sponsored by the Jenks Chamber of Commerce, Jenks Chamber of Commerce Community Foundation and the City of Jenks. All expenses associated with the program are sponsored by the Chamber, Foundation, City and community businesses.

## **Participant Requirements**

There is no cost for participants to be a part of Leadership Jenks. Community organizations and businesses sponsor the program. In order to participate, interested persons must fill out an application form and the agreement form.

Participants are required to:

- Be a resident of the Jenks community or employed by an area business for one year
- Miss no more than one session of Leadership Jenks

## **Participant Selection Process**

Applications will be reviewed by the Leadership Jenks Steering Committee and, once selection is complete, applicants will be notified as to their status. It is the goal of the Committee to select a group of individuals representing different areas of the community and business community. After acceptance, all correspondence and reminders will be sent via email from the Jenks Chamber of Commerce.

## **Session Topics**

Leadership Jenks sessions cover topics including: the history of Jenks; intergovernmental relations between cities, county and state governments; Jenks education; city planning, budgeting and operations; business development and the Jenks Chamber; leadership development; and a bus tour of the community. The final event related to Leadership Jenks is a graduation ceremony.
